EXTENSION COMMITTEE ON ORGANIZATION AND POLICY

## RESOLUTION

### **TO CELEBRATE THE ANNIVERSARY OF THE SIGNING OF THE EQUITY IN EDUCATIONAL LAND-GRANT STATUS ACT ON OCTOBER 20, 1994**

Whereas, members of the Western Extension Directors Association honor 1994 institution colleagues for continued excellence and leadership, and we look forward to strengthening collaborations across all of our land-grant institutions so we can better serve our communities, together;

Whereas, members of the Association of Southern Region Extension Directors congratulate our 1994 institution colleagues on their 25<sup>th</sup> anniversary of federal recognition and send best wishes for many more years of success in providing education that assists in social and economic development of all;

Whereas, the Association of Northeast Extension Directors is thrilled to celebrate 25 years of federal recognition for 29 tribal colleges and universities as land-grant institutions. We wish everyone who works and volunteers for the 1994 Land Grant Universities boundless success in, and continued recognition for, your tireless work in support of tribal people, communities, and scholarship;

Whereas, the Association of Extension Administrators of the 1890s region applaud our 1994 institution colleagues on the 25<sup>th</sup> anniversary of attaining federal land-grant status, and for acting as catalysts to garner resources for improving facilities, planning and implementing innovative programs that positively impact the health, economic and social well-being of youth, families, businesses, and tribal communities;

Whereas, members of the North Central Cooperative Extension Association extend congratulations to the 1994 institutions on their 25<sup>th</sup> anniversary, and sincerely appreciate the strong cooperative spirit and the many contributions from current and future collaborations among all Land Grant institutions in the region; now, therefore, be it

Resolved, that the members of the Extension Committee on Organization and Policy celebrate 25 Years of distinctive youth development, agriculture, and public health Extension programs, within the context of indigenous knowledge and traditions and hails 1994s' engagement in the future.
